Incident Information

*Date of Incident 08 / 31 / 2025

*City and/or County of the Incident City of San Antonio, County of Bexar

*Description of Incident: Characters Remaining: 3

I am an attorney in Texas that is being spied upon, and threatened, by President Donald Trump and his agents.

I am a former Republican Party Precinct Chair that was elected to serve the Rep. Party constituents of my local area. I also filed numerous public information requests for the data supporting the 2020 election results in the eight largest counties of Texas. Around then, Trump's campaign began spying on my life.

On 08/08/24 at 08:35am, that spying presence manifested in an armed gunman confronting me in the front yard of my home. The gunman spoke to me for about 15 seconds and fired his weapon at the ground near my feet. I captured this incident as a recording on my home security system. I filed police report number SAPD24171554 with the San Antonio Police Department.

Donald Trump, and his agents, are still spying on me, threatening me, and using a gang of people to cause me a private nuisance.

I will provide more information. Please investigate this matter. Thank you.
